Tuition Fees Structure for AY2027/2028 Intake

(Singapore Citizen/Singapore Permanent Resident Students)

For the AY2027/2028 intake, Singapore Citizens and Singapore Permanent Residents enrolling into the MDSML programme will be automatically extended with a **40%** tuition fee rebate. Students on scholarship/sponsorship will not be eligible for this tuition fee rebate. This rebate will be automatically extended, and students need not apply for it.

In addition, the fee structure has been revised from a per-course basis to an instalment basis. In view of this change, as a special provision for the AY2027/2028 intake, all Singapore Citizens and Singapore Permanent Residents enrolling into the MDSML programme students will also receive a Study Award of **SGD 5,450** (inclusive of GST).

The Study Award will be credited to the student account at the beginning of each active semester, over two semesters for full-time students and three semesters for part-time students. This Study Award is applicable only to the AY2027/2028 intake and does not constitute a recurring or continuing benefit for subsequent cohorts.

Tuition Fees: SGD 29,866 (inclusive of GST)

The total tuition fees, inclusive of 40% tuition fee rebate and Study Award, are payable in instalments as shown below.
